17/memsec/2018

No. PCC/DDD/OCMS/2016-17/
Office of the Member Secretary,
Pollution Control Committee,
DD & DNH,
Daman.

Date:- 23/04/18

C I R C U L A R

Pollution Control Committee, Daman Diu and Dadra & Nagar Haveli has taken many steps towards Ease of Doing Business in the line of thinking & policy of the Government of India. In order to further enhance the efficiency of working and bringing transparency in the Governance, the Online Consent Monitoring & Management System (OCMMS) has been developed by the help of NIC, New Delhi under the Ministry of Environment, Forest & Climate Change.

The Online Consent Monitoring & Management System (OCMMS) will facilitate the industries to apply for Consent to Establish (CTE) and Consolidated Consent & Authorization (CCA) online and certificate/ order for the same can also be received online. The entrepreneur can also track the movement of their files through OCMMS and can upload various documents as & when required as per the Consent conditions. This system will go a long way in not only bringing transparency in the governance but also will enhance the efficiency of the department & will result in faster delivery of services.

To get familiar with the OCMMS and any suggestions PCC DD & DNH had also organized training program with the help of NIC, New Delhi, MoEF & CC for the representatives of the industries/ hotel units of Daman and Dadra Nagar Haveli on 17th & 18th March 2018 respectively.

In this regard, it is to inform that from today onwards all the applications for CTE/CCA/CCA-Renewal and any other documents (annual report & environmental analysis report) will be received through the OCMMS only (<http://ddnocomms.nic.in/OCMMS>) and no hard copy will be entertained.

Member Secretary
Pollution Control Committee,
Daman and Diu,
Daman.

Copy to:-

1. The Chairman, Pollution Control Committee, DD & DNH.
2. The Member Secretary, Pollution Control Committee, DNH.
3. The General Manager, District Industries Center, Daman/Silvassa.
4. All Head office of Daman and Dadra Nagar Haveli.
5. All the concern PCC staff.
6. The President, Daman Industries Association, Daman.
7. The President, Silvassa Industries Association, DNH.
8. The President, Hotel Association, Daman/Silvassa.
9. On PCC, DD & DNH website.
10. SIO, NIC, DD & DNH for upload on website.

Online Consent Management & Monitoring System

a web based application for Consent Management developed by NIC, Cell, Ministry of Environment & Forest.

Daman& DIU-OCMMS

User Manual for Industries

Daman & Diu-OCMMS

Online Consent Management & Monitoring System is a web based application for Consent Management developed for the PCC (Daman & Diu and Dadra Nagar Haveli Pollution Control Committee) by NIC, Cell, Ministry of Environment & Forest. The process for of **Industry User** is mentioned in this manual.

Features of OCMMS

- Unified Global online application/ portal
- Role based application access
- Multi-level Security Enabled System
- Online Industry Registration
- Online Submission of Application, Approval, Clarification and other activities for CTE, CTO for all category of Industries / Institutions

ONLINE INDUSTRY REGISTRATION

Industry registration is an online feature; which will enable Industry applicant to register himself online to use the application for applying for Consents (CTE/CTO), Authorization and other features. Using this Industry will be able to generate the user temporary name and password, which he needs to use within the stipulated time. Once Industry uses the temporary user name and password for Consent Application; documents/details provided with this will be validated and user name will be confirmed and made available to him for future use. If Industry fails to use the temporary user name within the given time frame, then this user name will be deleted from the database and applicant will have to re-register himself to use the online application.

Daman & Diu and Dadra Nagar Haveli – Online Consent Management & Monitoring System

URL: ddnocmms.nic.in

User are advised to browse this site using Google Chrome browser for trouble free filing.

The screenshot shows the homepage of the Online Consent Management & Monitoring System. At the top, there's a navigation bar with links like 'Not secure', 'ddnocmms.nic.in/OCMMS/index.gsp', and various system status indicators. Below the header, the title 'Online Consent Management & Monitoring System' is displayed, along with the Ministry of Environment, Forest and Climate Change logo and the Government of India emblem. A large blue callout box on the left side contains the text: 'Click on New Industry Registration to register Industry on this Home Page'. The main content area features a photograph of people in traditional Indian attire performing a dance, followed by sections for 'About SPCB' and 'Important Links'. On the right, there's a 'User Login' form with fields for 'User ID' (2080926), 'Password' (hidden), 'Captcha Code' (588860), and buttons for 'Login', 'Forgot Password', and 'New Industry Registration'.

Screen Shot: Home Page

- Click “New Industry Registration”
- New Registration form will be displayed.
- For industry User should select from the following

- User fills the asked information and click “Submit”.
- Once submitted, System will validate the input data.
- If data is incorrect or mandatory filled not filled then system will prompt user to correct the information.

Daman & Diu and Dadra Nagar Haveli – Online Consent Management & Monitoring System

Fill Industry and Occupier details as well

The screenshot shows a Windows desktop with a browser window open to the 'Industry Establishment' form. A blue callout bubble points to a field labeled 'Name *:' with the text: '* Marked Fields are mandatory'. The form includes sections for General Details and Occupier Details, with various input fields like Name, Address, District, and Category, each marked with a red asterisk (*) indicating it is mandatory.

Daman & Diu and Dadra Nagar Haveli – Online Consent Management & Monitoring System

Waste Management- Apply Authorization for Hazardous waste

The screenshot shows a Microsoft Internet Explorer window titled "Application For Authorization". The address bar displays the URL: 164.100.163.18/DSPCC/hazardousWasteAuthApp/list#. The main content area is titled "Online Consent Management & Monitoring System" and "Ministry of Environment, Forest and Climate Change Government of India". The interface includes a navigation menu on the left with options like "Home", "Consent Management", "Waste Management", and "Logout". A sidebar on the left provides links for "Apply Authorization", "Hazardous Waste", and "Bio-Medical Waste", along with a feedback section and a complaints or query link. The central area features a green tree icon and a welcome message "Welcome test ind". Below this is a table with two tabs: "InProgress Application" and "Completed Application". The table has columns for "Application No.", "Application For", "Authorization Required For", and "Application Date". It shows two empty rows: "Hazardous Waste Application List Is Empty" and "Bio-Medical Waste Application List Is Empty". A large blue callout box in the foreground instructs the user to "Click on apply Authorisation for application Select Hazardous waste". The status bar at the bottom of the browser window shows the URL again: 164.100.163.18/DSPCC/hazardousWasteAuthApp/list#.
